PREAMBLE

As a treaty first nation, the Toquaht Nation assumes the responsibility of providing measures to protect Toquaht lands and foreshore, to protect the health and safety of residents of Toquaht lands and foreshore and to protect the peace and order in the Toquaht Nation community.

To assist with realizing these goals, the Toquaht Nation wishes to establish rules of conduct that all Toquaht citizens must abide by, as well as enforcement processes aimed at ensuring Toquaht officials and citizens abide by those rules.

The Toquaht Nation adopts this Act based on these values.
